Dear Jim & Vickie,

It sure sounds like you had a nice trip. Your house just sounds great too. It must be nice to have enough room for everything. I think it's nice Vickie decided not to go to school right away. It takes so much time just getting things organized after moving. How do you like furniture shopping? It's hard to decide on what to buy, I think.

Mike and I have a three-day weekend this week, although Mike will probably work anyway. The weather is just beautiful, so I plan to go to the

beach and Gail.

Mike has been working hard for the Y.D.s & on the 19-yr. old note. The Young Democrats got Buck Bayh to come out for a dinner Sept 19. They were very lucky, Dave Starnoff, from Bellene, helped as he was recently elected National YD President. They are having a \$100 reception at Durkin's house, so I hope will raise a little money. They want to put money into the race of candidates they ~~have~~ will decide to support at their Preliminary Endorsements Convention.

How do you like Washington D.C.? I suppose you've been all through the Capitol Buildings.

Both of you write, if you
have a chance or tell
me all about it.

Love,
Mary
